Education

Arizona State University

Bachelor's of Science in Computer Science (Cybersecurity)

Tempe, Arizona

Expected December 2027

Work Experience

University of Phoenix, Applications Engineer Intern

May 2026 - Present

- Collaborated within a **9-member cross-functional Agile team** of software engineers, UI/UX designers, delivery managers, and product managers to develop and enhance **multiple enterprise web applications**
- Delivered production-ready software enhancements and bug fixes across **10+ Agile sprints**, participating in **50+ daily stand-ups**, sprint planning, testing, code reviews, and Git-based version control
- Translated business requirements into reliable software solutions by contributing throughout the **full Software Development Lifecycle (SDLC)**, from planning and implementation to testing and deployment

Walmart, Personal Shopper Associate

May 2025 - Present

- Fulfilled **50+ online customer orders per shift** with 99%+ accuracy while collaborating in a **fast-paced team environment** to meet strict fulfillment deadlines and deliver excellent **customer service**

Skills

- AI: AI-Augmented Development, Prompt Engineering, GitHub Copilot, Claude, ChatGPT
- Software Engineering: Java, Python, JavaScript, React, HTML/CSS, SQL, REST APIs, Git, GitHub, Data Structures & Algorithms
- Information Technology: Windows, MacOS, Linux, Microsoft 365, AWS, DNS, Hardware & Software Troubleshooting, PC Setup & Configuration, Website Deployment, Git, GitHub, Jira, Bitbucket, SQL
- Cybersecurity: Secure Authentication, Encryption & Hashing, Linux, Network Security
- Professional: Problem Solving, Cross-Functional Collaboration, Communication, Teamwork, Adaptability

Projects

Enterprise IT & Security Management System

In-Progress

- Developing a full-stack enterprise application for user management, asset tracking, help desk ticketing, and security monitoring
- Implementing secure authentication, REST APIs, and database integration using modern software engineering practices

Certifications

- **CompTIA A+**, *In Progress*
